CERTIFICATION OF APPROVAL

As a result of our Quality Audit review of your facility, August 12, 2003 and ongoing evaluation of your sample assemblies, we are pleased to confirm continued approval of your organization as an authorized fabricator of Stratofiex aircraft hose assemblies.

You are authorized to fabricate hose assemblies from Stratoflex hose and fitting components and to certify that assemblies you fabricate, branded with Stratoflex, 220 Roberts Cut Off Road, Fort Worth, Texas 76114, or the "staggered S" trademark in all respects are the same as previously qualified by Stratoflex. This provides authorization to assemble from components provided from Stratoflex and ship direct to customers any hose assemblies as listed on the Product Charter attached for which Stratoflex Fort Worth holds T.S.O. authorization and to identify these hose assemblies with the Stratoflex trademark, hose assembly part number designation, including the code "CO", and the appropriate T.S.O. designation.

Your Hose Shop Quality Program Manual, dated July 2002, is approved as assurance of compliance with the Stratoflex Distributor Quality Program Manual issued May 2001.

Your equipment, procedures, methods of assembly workmanship, records and tests were found to be in good practice and in compliance with all the appropriate requirements. Adequate records are available and are maintained for review at anythme by customers, the FAA, other U.S. Governments activities or Stratoflex as necessary. You must advise us prior to any changes in your operation regarding Stratoflex processing. You are to follow all Stratoflex procedures to fabricate, identify, inspect and test aerospace hose assemblies and you are fully responsible for the warranty and service of these assemblies. Stratoflex will provide technical service and perform periodic control tests as scheduled for surveillance and assurance that your processing fully conforms to all Stratoflex requirements. Further audits will be conducted on a timely basis for assurance of confinued compliance to all specifications.

Sincerely,

PARKER HANNIFIN CORPORATION Stratofiex Products Division
